About the College

Shikshan Prasarak Sanstha was established in 1961 with a mission to make higher education available to the students from rural background like Sangamner and its vicinity. Since its inception, the college has been following its vision ***"SPREAD KNOWLEDGE UNTO THE LAST"*** by taking the educational needs of the rural masses into account. In the year 2020, the college was conferred AUTONOMOUS status by the University Grants Commission, New Delhi.

Presently, around 6000 students are pursuing their higher education in different streams on a huge lush green and eco-friendly campus of 50 acres. The Sanstha which was founded on a dry, bare land sixty five years ago has been transformed into a fertile land of knowledge and a centre striving for excellence in Higher Education under the visionary leadership of the former Principal Late M.V. Kaundinya and the torchbearer management founders.

Since 2006, under the stalwart leadership of honourable Dr. Sanjay Malpani, Chairman, Shikshan Prasarak Sanstha, our college has been setting and achieving high goals to meet the global standards.

The college is known for executing innovative programmes such as restructuring of the courses at the undergraduate level and innumerable skill-based and job-oriented activities. The college runs several skills based courses supported by the University Grants Commission. 11 Ph.D. Research Centres (Marathi, Hindi, English, Sanskrit, Economics, Politics, Commerce, Chemistry, Physics, Botany & Zoology) keep upgrading the research culture among the students.

The college is re-accredited with A+ grade by NAAC in 2015-16 (CGPA 3.58) in the 3rd cycle valid till Dec, 2025. For its outstanding performance, the college has been honoured with the "Best College" Award in 2002, 2008 & 2019 and "Best Principal" Award to Prof. Dr. Arun H. Gaikwad by Savitribai Phule Pune University . The college was also chosen as the Best NSS Unit, the Best NCC unit and the Best Sport unit by Savitribai Phule Pune University, Pune.

We are all geared up as an AUTONOMOUS COLLEGE and heading for a new identity as a FAST GROWING HUB OF QUALITY EDUCATION with a strong support of the management of the Shikshan Prasarak Sanstha, dedicated faculty members, hard-working non-teaching staff, aspiring students, motivated parents and all of our inspiring stakeholders.
